Dear Mr. Minges, I represent St Johns Fire District and had previously asked to be excused (which was granted) from the hearing scheduled on Thursday morning. Based on some minor recent developments I am now planning on attending the hearing. I will not be bringing any additional witnesses or offering any additional testimony. I would anticipate that my involvement would not add more than 15-20 minutes (at the very most) to the proceedings. I have spoken with Mr Charles Terreini and discussed my status change with him and he is aware that I will be attending. Let me know if I need to do anything else in terms of notifying the Commission other than this email to you. Thank you,
Donald Howe
